**Of Struggle and Flight. The History of Latvian Aviation by Kārlis Irbītis.  
Second edition. – Riga, RTU Press, 2016. – 211 p.**

The book analyses the development of the Latvian aviation in the period of independent Latvia between the First and Second World Wars and at the beginning of the occupation of Latvia (1939–1941). The author of the book Kārlis Irbītis (14 October 1904–13 October 1997) presents brief information on the country and its people, the early activities of the Latvian aviation and aeronautics enthusiasts, who made history of the Latvian aviation.

**The first edition** was published in 1986, in Ontario, Canada, by Canada's Wings, Inc.

Editing and book design (1st edition) by Heather L. Ebbs (Ontario). Original cover art by Don Connolly, Aymer, Quebec.
